## Rydal Penrhos Case Study

# Letitia Spencer – Rydal Penrhos Pre-school

Camau has increased the amount of Welsh language used in the setting. It has given the Practitioners more confidence to use incidental Welsh throughout the day and more confidence in using Welsh phrases. The staff have said they found it interesting and the repetition that was used helped them to remember the language that they were learning.

The effect of increasing the Welsh language around the setting has been positive. We have noticed the children are speaking more Welsh and it has helped with their Welsh development. Staff are now more confident in carrying out Welsh activities and using incidental Welsh.

We have a Welsh teacher in the school who delivers lessons to the Pre-School. Since embarking on the Camau courses it has helped staff have a clearer understanding and ideas for activities to help with their development throughout the whole week alongside these lessons. It has also been nice to attend the webinars with Mollie at NDNA Cymru. They support us with increasing the language and the children and practitioners have enjoyed them.

We have embarked on the Welsh promise and Camau has helped with this as it has helped us gain evidence for the awards as it has given us a clearer understanding on the correct wording for signage etc.

Mae Camau wedi cynyddu faint o Gymraeg sydd yn cael ei ddefnyddio yn y sefydliad. Mae wedi rhoi fwy o hyder i ymarferwyr i ddefnyddio fwy o Gymraeg achlysurol yn ystod y dydd ac yn fwy hyderus wrth ddefnyddio brawddegau Cymraeg. Mae'r staff wedi ffeindio'r cyrsiau yn ddiddorol ac mae'r ail-adrodd wedi helpi gofio'r iaith dysgwyd.

Mae'r effaith o gynyddu'r iaith Gymraeg o gwmpas y sefydliad wedi bod yn un positif. Rydym wedi sylwi bod y plant yn siarad fwy o Gymraeg ac mae wedi helpi gyda'i chynnydd. Mae staff nawr yn fwy hyderus i ddarparu gweithgareddau Cymraeg a defnyddio Cymraeg achlysurol.

Mae gennym ni athro Cymraeg yn yr ysgol sydd yn darparu gwersi Cymraeg i'r cyn-ysgol. Ers cwblhau'r cyrsiau Camau, mae'r rhain wedi helpu staff cael dealltwriaeth fwy clir a dealltwriaeth well o syniadau am weithgareddau Cymraeg i helpi gynnydd yn ystod yr wythnos i gyd-fynd a'r gwersi. Mae hefyd wedi bod yn hyfryd i fynychu'r weminarau gyda Mollie yn NDNA Cymru. Mae'r rhein yn helpi gyda chynnydd yr iaith ac mae'r plant ag ymarferwyr yn ei fwynhau.

Rydym yn cymryd rhan yn yr addewid Cymraeg ac mae Camau wedi helpi gyda hyn gan ei bod wedi helpi ni i gasglu tystiolaeth am y gwobrau ac wedi rhoi dealltwriaeth fwy clir ar yr eirfa gywir ar gyfer arddangosfeydd a.y.b.
